

# Hippocrates

- There are in fact two things,
  - **science** and **opinion!**
- the former begets **knowledge**,
  - the later **ignorance**.

Hippocrates of Kos

Engraving by Peter Paul Rubens, 1638,  
courtesy of the National Library of Medicine.<sup>[1]</sup>

Born	ca. 460 BC Kos, Greece
Died	ca. 377 BC Larissa, Greece
